

# Mobile Pro Water Purifier

FOR BOATS UP TO 80' | 25 m

## Ultra Pure Water On-the go.

Spot Zero's Mobile Pro is designed for boats that don't have the space for a built-in Spot Zero Water Purifier System. With Mobile Pro you can enjoy ultra-pure spot free wash downs and pure water benefits, in a portable, compact design. The Mobile Pro series removes up to 99% of water-borne contaminants from any dockside water source. Say goodbye to chamois drying, once and for all!

### Exceptional Mobility

Integrates handles and oversized wheels.

### Advanced Engineering

All interior plumbing protects the components.

### Robust Uni-Body Design

Corrosion resistant 6061-T6 anodized aluminum allow frame.

### Smart Monitoring Technology

Digital LED Display & Smart Performance Monitoring.

Water Source

Dock Water

Purity Level

Pure Water

## Spot Free, Less Effort

No spots. No buildup. No hassle.

## Extend Wax & Paint Life

Pure water, less drying.

## Pure Water, Anywhere

Preserve beauty from anywhere.

Mobile Pro Water Purifier

# Technical Specs

## Water Quality & Performance

### Input Test Conditions

Feed Water Flow - 4.25 GPM | 16 LPM  
Pressure - 60 PSI | 4.1 BAR  
Temperature - 77° F | 25° C  
Parts Per Million - 200 PPM

### Performance Results

Water Production - 3.25 GPM | 12 LPM  
195 GPH | 738 LPH  
Parts Per Million - ≤ 20 PPM

\*Performance results reflect specified conditions. Actual performance may vary with conditions.

## Electrical Requirements

### Voltage

US Model - 120 V  
EU Model - 220 V

### Max Amp Draw

US Model - 12.5 A  
EU Model - 6.5 A

### Frequency

US Model - 60 Hz  
EU Model - 50 Hz

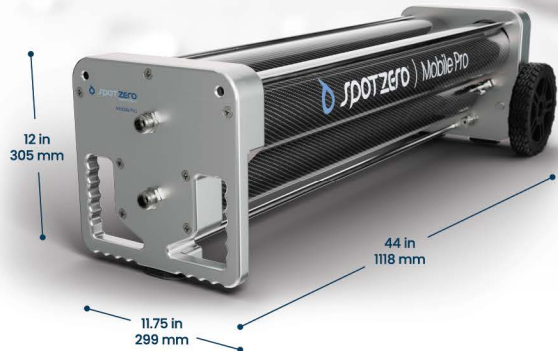

### Phase

Single

## Product Specification

SPOTZERO

Mobile Pro Water Purifier

Weight 130 lbs | 59 kg

## Product Features
