

Water Purifier

FOR BOATS UP TO 400' | 122 m

Perfect Water. No Compromises.

The Spot Zero Water Purifier automatically delivers ultra-pure, spotless water from dockside or your water maker without lifting a finger. Designed to protect your vessel's beauty and provide safe, drinkable water onboard. The Spot Zero Water Purifier is effortless purity for those who demand perfection.

BlueLink Connectivity

MFD & smart-device integration with over-the-air remote support & updates.

Auto-Sensing & Smart Switching

Automatically detects & processes water from water maker or dock.

Effortless Operation

Automatic start / stop + self-maintaining.

Water Source

Dock Water
or **Water Maker**

Purity Level

Pure Water

The Next Generation

Double-Pass Technology

Only system with patented two full RO cycles for ultra-pure output.

33% Smaller Footprint

Fits where others can't. Engineering to maximize utility space.

65% Quieter Operation

New low-vibration architecture. Designed to disappear.

Failsafe Design

Redundant systems and overrides ensure uninterrupted operation.
